

# Reason Statement for Selection

○ Title: Open Design Competition for the Jeonnam Citizen's Square

○ Name: Mladen Jadric

(Signature)

RANK	ENTRIES NUMBER	Detail
1 <sup>st</sup> Winner	51	<p><b>Creativity</b></p> <p>Project is creating a public space and community garden through harmonious and innovative design. Winner project offer a strong concept with unique character and link to existing green axis. Series of bridges and interesting landscape offering additional potential for the visitors.</p> <p><b>Function</b></p> <p>Moving three-dimensional landscape offers spatial experience and connections to existing green areas at the same time.</p> <p><b>Openess</b></p> <p>New Park unifying metropolitan atmosphere with high quality green areas, providing design solution also in the human scale.</p> <p>Urban context, Green Infrastructure and Master Plan offering logical link and network inside the bigger city area.</p> <p><b>Feasibility</b></p> <p>Design could be more specific and precisely developed for the particular area.</p>
2 <sup>nd</sup> Winner	108	<p><b>Creativity</b></p> <p>Very interesting and innovative urban figure - elegant blinds that are at the same time platforms for solar collectors. Project is focuses on one of the crucial topics of our time - energy and climate change.</p> <p><b>Function</b></p>

		<p>Using climate-friendly design and distinctive and elegantly designed element, this project promising pleasant atmosphere for users.</p> <p><b>Openess</b></p> <p>Common areas are designed precisely with nice details. Green areas could be more integrated and reflected through design of public facilities.</p> <p><b>Feasibility</b></p> <p>Sustainable development direction could be an interesting alternative model for the future public space areas.</p>
3 <sup>rd</sup> Winner	45	<p>Open space seems a bit isolated in relation to the surrounding houses. One misses more interaction and reflection between the functions inside the buildings and park/public space outside. Layout plan offer solid but conventional base for users.</p>
3 <sup>rd</sup> Winner	97	<p>Visionary design and content but somewhat strict and rigidly developed development. Unfortunately, not living up to expectation in sufficient interaction within the public space. Big contrast of scale between public space and single buildings.</p>

Submit the review as above.
